## ► Our offer

The CEFPPA offers a two-year training course as part of an apprenticeship contract.

The training course is split between working in a company and studying at the CEFPPA: 840 hours of training at the CEFPPA spread over two years, and the rest of the time spent working in a company.

As an associate of EURHODIP, the CEFPPA guarantees the acquisition of general and professional knowledge in close association with the trade and its values.

The CEFPPA prepares you to take a national examination for a professional qualification, level 3 to 5 in the European Certification Framework.

## ► How to apply
